To,

Dear Sir,

Greetings!

We welcome you to participate in Cyber Property Show, a novel venture of ours – a unique and cost-effective opportunity to project your services / products to the world. Cyber Property Show is a new concept of Property Show, taking place 24 hours a day, 365 days a year, in cyberspace.

We provide “CYBER-STALLS” (web pages) to leading service providers in various areas of property management. Each CYBER STALL will have provisions for 4 photographs and relevant text content. Your organization will also have a unique id (URL) with www.cyberpropertyshow.com, which may be considered a “permanent stall” of your organization in Cyber Property Show.

If you wish to have a CYBER STALL with us, please fill up the format attached and mail it to us along with the content to be uploaded. We will upload the CYBER STALL only after formal approval from the authorized official of your organization. PIK retains the right to accept or reject applications for cyber stalls and also to change the terms of participation by giving a notice period of one month. The tariff per cyberstall is Rs. 2,500/- for a period of 3 months. For more details on the tariffs and other services, you can visit: www.cyberpropertyshow.com/advertise.
